Dear Judge Preska:

This Office represents defendants Carl Koenigsmann, Susan Mueller, David Dinello, John Hammer, and Kristin Salotti (together, "State Represented Defendants") in the above-referenced actions. We write, with consent from Plaintiff's counsel, to respectfully request that the time for State Represented Defendants to file their motions for summary judgment in the above-referenced matters be extended one day, from November 15, 2023 until November 16, 2023.

The reason for this request is that we are experiencing unexpected technical difficulties in communicating with certain required affiants in the above-referenced matters. As such, additional time is required to complete the motions and submit the requisite filings. This is the first request for an extension of State Represented Defendants' motions for summary judgment. This extension does not affect any other deadlines in these cases.

We thank the Court for its attention to this matter.
